Foods marked * are healthy food choices. This is canteen food, which is lower in sugar, salt and fat.

Foods marked * are foods that should only be eaten in moderation as part of a healthier diet. These foods contain significant levels of salt, sugar and/or fat.

The canteen is endeavouring to improve the quality of food available to students. We are reducing the number of unhealthy manufactured goods. This inevitably increases the labour and time involved in making healthier options.

Volunteer help would be greatly appreciated if parents/caregivers have some time to spare. Even an hour a week would be of help. Please see the School Office for more details.

Lunch orders are placed in the classroom basket before **9.00am**. Late orders may not be accepted. Online orders must be placed by **8.45am**.

The canteen is now open Monday - Friday
